BUILD AMERICA CENTER
INNOVATIVE FINANCING AND DELIVERY
OF TRANSPORTATION INFRASTRUCTURE

An online resource dedicated to providing local public agencies information to accelerate their grant funding applications.

A complementary resource to the [DOT Navigator](#).

NAVIGATE FUNDING OPPORTUNITIES

Customized search of a comprehensive database of all transportation related Notice of Funding Opportunities (NOFOs) under the Infrastructure Investment and Jobs Act (IIJA) for competitive and discretionary programs. Narrow down NOFOs that fit your needs.

PLAN AHEAD FOR YOUR GRANT APPLICATION

Addressing the uncertainty of the timing of NOFOs, you can view historical NOFO timelines to understand the typical timeframe and application window of targeted funding programs to plan ahead.

MATCH YOUR PROJECT TO SUCCESSFUL AWARDS

Improve your grant application by learning from previous applications and successful awards that are similar to your potential project.

ANALYSE THE DISCRETIONARY GRANT AWARDS

Delve into our comprehensive dashboard designed to illuminate the distribution of federal grant funding across various dimensions.

GET HELP FROM THE BUILD AMERICA CENTER (BAC)

View the resources available to support your grant application. Request technical assistance and training from the BAC.
